Where?

Nickelback

Advisory - the following lyrics contain explicit language:

I was wrong to think
I could ever trust in you
I was wrong to think
That you might want to trust me tooHere I am, here I am
Here I stand
Here I am, here I am, here I am
Here I standI was wrong to think
I could ever love in you
I was wrong to think
That you might want to love me tooHere I am, here I am
Here I stand
Here I am, here I am, here I am
Here I standSo where the hell are you?
So where the hell are you?
So where are you when I need someone too?
And I'm tired of needing youHere I am, here I am
Here I stand
Here I am, here I am, here I am
Here I standSo where the hell are you?
So where the hell are you?
So where are you when I need someone too?
Well I'm tired of needing you
