Pearls On a String

Ryan Adams

Blue eyes for miles, pretty as a peach
Glorious kind and always on the time
Never far out of reachTomorrow's on its way
There's always new songs to sing
Glorious kind, always on time, pearls on a stringSoft precious and easy under the sea
If you dive down far enough to the bottom
Look around and you will seeTomorrow's on its way
And there's always new songs to sing
Glorious kind, always on time, pearls on a string
Glorious kind and always on time, pearls on a stringSun shining down, children laugh and play
Glorious kind and always on time
Out there in the dayTomorrow's on its way
And there's always new songs to sing
Glorious kind and always on time, pearls on a string
Glorious kind, always on time, pearls on a string
Glorious kind and always on time, pearls on a string
Glorious kind, always on time, pearls on a string
