

# Round Midnight (w/ Andy Summers)

Sting

It begins to tell  
At sometime, round midnight  
I do pretty well  
'til after sundown  
At supper time, I'm filled with you  
But I really miss you  
Round midnight Memories return  
At sometime, round midnight  
I have yet to learn  
To stop those mem'ries  
When my heart is still with you  
And old midnight  
Knows it too. Did it mean that our love would be ending?  
When some quarrel we've had need a mending  
Darling, I need you  
But lately I find  
You're out of my arms  
Out of my mind. Let our love take wing  
Some midnight, round midnight  
And let the angels sing  
That you're returning  
Let our love be safe and sound  
When old midnight  
Comes around.
