El Dorado

50 Foot Wave

Peace and a fraction of a dream, El Dorado
These eggs look like eyeballs and I'm too bored to eatWe're floating on inflatable hope
There's a blue blizzard in our heads and I'm too sore to sleepLife and a cup of instant chaos by the window
I'm laughing so hard I'm in tearsI followed your hillbilly guide to El Dorado
I haven't laughed like this in yearsI'd like you to stay
I'd like you to stay
I'd like you to stay
I'd like you to stayOnly you can see Eden through the blizzard
Only you spring eternal censor free
Only you are Minnie Pearl behind the 8 ball
The keeper of my pathetic dream
I'd like you to stay
I'd like you to stay
I'd like you to stay
I'd like you to stay
