Girl Power

DM Bob & The Deficits

Girl powerI don't wanna be a boy, I wanna be a girl
I wanna do things that'll make ya hair curl
I wanna play with knives, I wanna play with guns
I wanna smash the place up just for funI wanna go out
(Wanna go out)
I wanna party
(Yeah)
And act like a child
(And act like a child)
If it suites me
'Cause we've got
'Cause she's gotGirl power
(We glower)
Coming home drunk in the midnight hour
Girl power
(We glower)
We might look sweet, but we wanna be sourI don't wanna go to, I don't wanna go to college
Don't wanna get a job, wanna sit 'round the house and act like a slob
I wanna be evil, I wanna be bad
I wanna drive my next door neighborers madI wanna go out
(Wanna go out)
I wanna party
(Yeah)
And act like a child
(And act like a child)
If it suites me
'Cause we've got
'Cause she's gotGirl power
(We glower)
Coming home drunk in the midnight hour
Girl power
(We glower)
We might look sweet, but we wanna be sour'Cause we've got
'Cause she's got
'Cause we've got, girl powerGirl power, girl power
Girl power, girl power
Girl power, girl power
Girl power, girl power
Girl power
