Lady Bump

Penny McLean

Hey
I'm so glad you come in here tonight. I'm so it chin' to
Dance I can't stand it and I was countin' on dancin' with you.It's a saturday night and I feel all right
So come on
let's dance - look at me
AII I wanna do is to bump with you
So come on
let's dance - look at me tonight.
When we hear the music play you might
Learn from me in every way.They call me lady bump
lady bump it's no lie - ah
Lady bump
lady bump - just the music takes me high.They call me lady bump
lady bump uh uh uh ah
Lady bump
lady bump look at me and you'll know way.No
I don't need a break 'cause my hips got to shake -
Ooh come on
let's dance - look at me
When I feel your touch - baby
it's to much
Ooh come on
let's dance - look at me tonight
. . .They call me lady burnp
lady bump it's not lie - ah
. . .They call me lady bump
lady bump uh uh uh ah
. . .They call me lady bump
lady bump uh uh uh ah
. . .
