

Chilly Winter - Demo

Maroon 5

You have been gone for so long
Don't know if you're ever coming back
All I know is if you ever come around againBaby it's so cold
Where you are
Another chilly winter in New YorkCold where you are
Another chilly winter in New YorkI get so hungry
But what I got is not enough
Don't got any money
No fancy car and no sexy scars
But I, do have something
That you want
And I'll love you 'till I crumble to the ground, ooh!You have been gone for so long
Don't know if you're ever coming back
All I know is if you ever come around againBaby it's so cold
Where you are
Another chilly winter in New YorkCold where you are
Another chilly winter in New York, oh!You have been gone for so long
Don't know if you're ever coming back
All I know is if you ever come around againBaby it's so cold
Where you are
Another chilly winter in New YorkCold where you are
Another chilly winter in New York, oh!
