

Don't Be a Fool

Shawn Mendes

You've got my heart
But I can't let you keep it, babe
'Cause I won't be sure that I can stay
Don't waste your time
Trying to pull me in
'Cause I'm just a mess
Don't wanna fix? Just promise me one thing that you won't forget?
But for now kiss me softly before I say
And don't be a fool
To wait on me darlin'
I know that you don't wanna hear this
But I'm always on the move And don't be a fool
And say that you love me
'Cause you'll find a man
Who will stand by your side
And will be there for you
And just know that I do Oh I really like you babe
And I wanna be there for you
For the rest of your days
But I know that hurt
If we keep on doing this
So I'm sorry to end this now
But I know that it's for the best Don't be a fool
To wait on me darlin'
I know that you don't wanna hear this
But I'm always on the move And don't be a fool, yeah
And say that you love me
'Cause you'll find a man
Who will stand by your side
And will be there for you I don't think you'll ever understand
I don't think you'll ever understand
I know that you don't wanna hear this but darling don't be a fool And don't be a fool, yeah
And wait on me darling
I know that you don't wanna hear this
But I'm always on the move, yeah, oh Just don't be a fool, yeah
And say that you love me, girl
'Cause you'll find a man
Who'll stand by your side
And will be there for you And don't be a fool

And wait on me darling
I know that you don't wanna hear this
But don't be a fool
