Discoteca

Pet Shop Boys

Hay una discoteca por aqui?I don't speak the language
I can't understand the word
Where angels fear to tread
I've sometimes walked and tried to talkBut how can I be heard
In such a world, when I'm lost?
I'm doing what I do to see me through
I'm going out and carrying on as normalHay una discoteca por aqui?Te quiero
Entiende usted?
Digame
Cuanto tiempo tengo que esperar?I don't speak in anger
Though the chances that I've let pass me by
And now regret I can't forget
They're haunting me like a score of unpaid debtsIs it enough to live in hope
That one day we'll be free without this fear?
I'm going out
And carrying on as normalHay una discoteca por aqui?Te quiero
Entiende usted?
Digame
Cuanto tiempo tengo que esperar?
