No Reason

Nick Lowe

Little dariin' don't look away
You don't have to be sad anymore
'Cause

[Chorus]
There ain't no reason
No single reason in the world
Little darlin' please dry your eyes this time

Don't you be sad to me
like you did before
'Cause

[Chorus]

Little darlin' I can understand your pain
There's too much confusion goin' round
and

[Chorus]
