Transparent

Stone Circle

Why canâ€™t I see right through you?
Your crystal world is made of glass
A pale reflection of the future
It pays that homage to the past

Why canâ€™t I see right through you,
When itâ€™s obvious to see?

Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)

The cloak you wear it casts no shadow
The mask you hide behind itâ€™s true
Youâ€™re many faces in rotation
Well is your mirror foolinâ€™ you? You?

So while you play with smoke and mirrors
The walls you built cut out the light

Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)

Youâ€™re soâ€¦

I canâ€™t help you, no
You canâ€™t be sure
The path laid out before you
Is yours to take alone
Whoh..ohâ€¦ohâ€¦oh
Is yours to take alone.

Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Iâ€¦canâ€™tâ€¦seeâ€¦youâ€¦(youâ€™re so transparent)
Whohâ€¦ohâ€¦ohâ€¦oh
Ohâ€¦ohâ€¦ohâ€¦ohâ€¦
