Nothing's The Same

Black Label Society

Lost again and all alone
Lost again for I should have known
So many storms, so many times I've died
Another goodbyeCrash and burn, refuse to learn
Your only friend that hides the scars that never mend
This trip inside the dark, the never ending rain
Kill the past, nothing's the same
Nothing's the sameAll the faces once knew now all gone
Days turn into years, rolling on
So many storms, so many times I've died
Another goodbyeCrash and burn, refuse to learn
Your only friend that hides the scars that never mend
This trip inside the dark, the never ending rain
Kill the past, nothing's the same
Nothing's the sameCrash and burn, refuse to learn
Your only friend that hides the scars that never mend
This trip inside the dark, the never ending rain
Kill the past, nothing's the same
