Crisis

Alaska y Los Pegamoides

You that I despise
Repentance of sorts
Death comes naturally
Not from a hated war
Repentance
Repentance of faith
Repentance of hope
Repentance of hate
Not my war
Soldiers marching on
Not my war
Soldiers marching on
On your feet! Crisis at hand
On your feet soldier! Crisis at hand
On your feet soldier!
On your feet motherfucker!
Not my war
Soldiers marching on
Not my war
Soldiers marching on
Crisis
Crisis
Crisis
Not my war
Soldiers marching on
Not my war
Soldiers marching on
Crisis
Crisis
Crisis
Crisis
