

# This Town (Live, 1 Mic 1 Take)

Niall Horan

Waking up to kiss you and nobody's there  
The smell of your perfume still stuck in the air  
It's hard  
Yesterday I thought I saw your shadow running round  
It's funny how things never change in this old town  
So far from the stars And I want to tell you everything  
The words I never got to say the first time around  
And I remember everything  
From when we were the children playing in this fairground  
Wish I was there with you now If the whole world was watching I'd still dance with you  
Drive highways and byways to be there with you  
Over and over the only truth  
Everything comes back to you I saw that you moved on with someone new  
In the pub that we met he's got his arms around you  
It's so hard  
So hard And I want to tell you everything  
The words I never got to say the first time around  
And I remember everything  
From when we were the children playing in this fairground  
Wish I was there with you now As if the whole world was watching I'd still dance with you  
Drive highways and byways to be there with you  
Over and over the only truth  
Everything comes back to you  
You still make me nervous when you walk in the room  
Them butterflies they come alive when I'm next to you  
Over and over the only truth  
Everything comes back to you And I know that it's wrong  
That I can't move on  
But there's something about you If the whole world was watching I'd still dance with you  
Drive highways and byways to be there with you  
Over and over the only truth  
Everything comes back to you  
You still make me nervous when you walk in the room  
Them butterflies they come alive when I'm next to you  
Over and over the only truth  
Everything comes back to you  
Everything comes back to you
