Born Stubborn

Sepultura

Stubborn from the start
Obey no one no matter what?
Our life it's our right
Why don't you go away
We live without orders
We live without rules
Tear down the walls
That try to hold us in
My tribe is my own right
And I don't have to tell you why?
It's been like that from the start
You can't break apart
Sepultura in our hearts
Can't take it away
These roots will always remain
Born in pain
Born stubborn
Stubborn from the start
Obey no one no matter what ?
Our life it's our right
Why don't you go away?

We live without orders
We live without rules
Tear down the wall
That try to hold in
Born in pain
Born stubborn
Born
My tribe is my own right
And I don't have to tell you why?
It's been like that from the start
You can't break apart
Sepultura in our hearts
Can't take it away
These roots will always remain
Born stubborn
Born in pain
Born in pain

Suffering life make us rise
