Love Drunk

Sworn In

Hey, hey, hey, hey
Top down in the summer sun
The day we met was like a hit and run
And I still taste it on my tongue
(Taste it on my tongue)
The sky was burning up like fireworks
You made me want you, oh, so bad it hurt
But girl, in case you haven't heard
I used to be love drunk, but now I'm hungover
I love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello then goodbye
(Oh yeah!)
There's just one thing would make me say
(Oh yeah!)
I used to be love drunk, but now I'm hungover
I love you forever, but now it's over
(Hey, hey, hey, hey, hey, hey, hey, hey)
Hot sweat and blurry eyes
We're spinning on a roller coaster ride
The world stuck in black and white
(Stuck in black and white)
You drove me crazy every time we touched
Now I'm so broken that I can't get up
Oh girl, you make me such a lush
I used to be love drunk, but now I'm hungover
I love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello then goodbye
(Oh yeah!)

There's just one thing would make me say
(Oh yeah!)
I used to be love drunk, but now I'm hungover
I love you forever, but now it's over
All the time I wasted on you
All the bullshit you put me through
I'm checking into rehab 'cause everything that we had
Didn't mean a thing to you

I used to be love drunk, but now I'm hungover
I love you forever, but now I'm sober
I used to be love drunk, but now I'm hungover
I love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello then goodbye
(Oh yeah!)
There's just one thing would make me say
(Oh yeah!)
I used to be love drunk, but now I'm hungover
I love you forever, but now it's over
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Now it's over, I still taste it on my tongue
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na
Now it's over
