Take On Me

Eve St. Jones

Got the news today
Doctor said I had to stay
A little bit longer and I'll be fine
When I thought it'd all be done
When I thought it'd all been said
A little bit longer and I'll be fine
But you don't know what you got
Till it's gone
And you don't know what it's like
To feel so low
And every time you smile
You laugh, you glow
You don't even know, no, no
You don't even know
All this time goes by
Still no reason why
A little bit longer and I'll be fine
Waiting on a cure
But none of them are sure
A little bit longer and I'll be fine
But you don't know what you got
Till it's gone
And you don't know what it's like
To feel so low
And every time you smile
You laugh, you glow
You don't even know, no, no
You don't even know, no, no
You don't even know, no, no
But you don't know what you got
Till it's gone
And you don't know what it's like
To feel so low, oh yeah
And every time you smile
You laugh, you glow
You don't even know
Yeah, oh yeah, oh yeah, yeah
You don't even know, no, no
So I'll wait till kingdom come

All the highs and lows are gone
A little bit longer and I'll be fine
I'll be fine
