Kaya

K.O.T.

Wake up and turn me loose
Wake up and turn me loose
Wake up and turn me loose
For the rain is fallingGot to have kaya now
Got to have kaya now
Got to have kaya now
For the rain is fallingI'm so high, I even touch the sky
Above the falling rain
I feel so good in my neighbourhood, so
Here I come againGot to have kaya now
Got to have kaya now
Got to have kaya now
For the rain is fallingFeelin' irie I
Feelin' irie I
Feelin' irie I
'Cause I have some kaya nowI feel so high, I even touch the sky
Above the falling rain
I feel so good in my neighbourhood, so
Here I come againGot to have kaya now
Got to have kaya now
Got to have kaya now, Lord
For the rain is falling(Kaya now, kaya, kaya) Huh
