Late Night Dawning

Bill Baird

excuse me while I go insane
or whatever they call it now
i'll take the waters
for as long as my lungs allow
excuse me while I go insane
love's a game I always lose
I wear a moonlit face
that the daytime has refusedlate night dawning
early morning
they say the darkest hour
is the one where your eyes are closed
punch my face bloody
cut off all my hair
my love is dead and I really couldn't care
lessshoot me to outer space
my face will assume a darkened hex
the man in the moon has changed
his sex
late night dawning
early morning
they say the darkest hour
is the one where your eyes are closed
