H.M. Powered Man

Iron Savior

[Music and Lyrics by Sielck]Can you feel the power do you feel the force do you feel the energy from a truly unique source you don't need no leather no spikes or jingling chains all you need is the energy and the fire in your veins walls of sound are shaking the ground as thunder is roaring in the skyI'm in a Heavy Metal powered world that's my way to be I got a Heavy Metal powered mind I don't need conformity no one tells me what to do what to think or be I'm a Heavy Metal powered man right - that's what I amright from the beginning I knew which way to go six strings in my hand turned out to be my destiny driven by the beat the power and the heat I wanted to explode just to reloadwalls of sound where shaking the ground as thunder was roaring in the skyHeavy Metal powered world ...[solo Piesel - Piet]creepers - liars self proclaimed, faked messiahs power seeking maniacshiding shadows in the black they have gone another way leading them so far away far away from all what Metal is standing forwe're in a Heavy Metal powered world that's our way to be we've got a Heavy Metal powered mind to hell with all conformity

no one tells us what to do what to think or be we're Heavy Metal powered men right...we're Metal powered ...that's our way this is our chosen way to be
