Squash Squash

Blood Orange

You chose to fade away with him
I chose to try and let you in
You chose to fade away with him
I chose to try and let you inMaking life just feel fine
Dreaming of a life of staying inYou chose to fade away with him
I chose to try and let you in
You chose to fade away with him
I chose to try and let you inBegging, begging for your everything
But everything is something
Something that is true
Begging, begging for your everything
But everything is something
Something that is true, trueYou chose to fade away with him
I chose to try and let you in
You chose to fade away with him
I chose to try and let you inSilence on my estate
