

# Spectre

[Alan Walker](#)

Hello hello  
Can you hear me, as I scream your name  
Hello hello  
Can you see me, near and far away  
Is this the place that I call home  
To find what I've become  
Walk along the path unknown  
We live we love we lieHello hello  
Sound of silence, echo in myself  
Hello hello  
Lost reliance, a more that nether ends  
Is this the place that I call home  
To find what I've become  
Walk along the path unknown  
We live we love we lieDeep in the dark in my secret lie  
Like a ghost inside me  
It's further far to the other side  
We live we love we lie
