Run Fa Cover

Ice MC

Ever single day the rain it falls
drops on ya head ir breaks the balls
better run fa cover just to stay dry
better run fa cover I'll tell you why
Lyric a danger an lyric a conquer man
lip dem a labba like polatician man
heavy heavy an chatty chatty
you better run fi cover an protect you batty
cah shower shower every hour hour
an man dem a chat when dem mout it sour
bring a umbrella an don't labba labba
cah I man di super who you beter falla
Nuff a di rain keep fallin' nah mi head
dat a di reason why mi build di red dread
lyrically wicked lard you mus understand
born ana raise ina nottingham
drip drop drip drop bwy you no me cya stop
listen reagge music an mi listen to me hip hop
flip flop still rock lyrical sure shot
run fi cover before you ketch cole
Ever single day the rain it falls
drops on ya head ir breaks the balls
better run fa cover just to stay dry
better run fa cover I'll tell you why
When you take a look at the way the rain falls
words are the very same thing
singing in the rain cannot be the song for me
so listen to this thing that we bring
I man a trickle but me soon hail stone
damager damager or a bad man soul
ca rain a fall an breeze a blow an
chicken batty deh outa door
don't badder worry don't badder fret
don't badder get uptight don't badder get upset
ca lyric ago shower so you better watch out
lyric ago shower so you better watch out
Ever single day the rain it falls
drops on ya head ir breaks the balls
better run fa cover just to stay dry

better run fa cover I'll tell you why
When you take a look at the way the rain falls
words are the very same thing
singing in the rain cannot be the song for me
so listen to this thing that we bring
When you take a look at the way the rain falls
words are the very same thing
singing in the rain cannot be the song for me
so listen to this thing that we bring
Ever single day the rain it falls
drops on ya head ir breaks the balls
better run fa cover just to stay dry
better run fa cover I'll tell you why
When you take a look at the way the rain falls
