Daydream

Miranda Cosgrove

La, la, la, la, yeahI could've been the one you noticed
I could've been all over you
I could've been like all the others
Is that what I'm supposed to do?It would've been really stupid
If I would've went out with you
To give you everything you wanted
It would've been way too soonI try to be sensitive, I try to be tough
I try to walk away
I try to be innocent, I try to be rough
But I just wanna prayYou're my daydream
You know that I've been thinking about you lately
And every time I look at you I can't explain how I feel insane
I can't get away, you're my daydreamLa, la, la, la, yeah
If I tell you what I'm thinking
And I let myself trust you
Can you give me what I'm missing?
Can you make my dreams come true?I try to be sensitive, I try to be tough
I try to walk away
I try to be innocent, I try to be rough
But I just wanna prayYou're my daydream
You know that I've been thinking about you lately
And every time I look at you I can't explain how I feel inside
I can't get away, you're my daydreamI've always wanted someone
I've been waiting so long
Could you be that someone? Are you mine, you mine?
You're mine, you're mineDaydream
You know that I've been thinking about you lately
And every time I look at you I can't explain what I feel inside
I can't get away, you're my daydreamYou're my daydream
(You know and you know, and you know)
Daydream, you're making me insane
You're my daydream
(You know and you know, and you know)
You're doing it againYou're my daydream
(And you know and you know, and you know)
You're making me insane
You're my daydream
(And you know and you know, and you know)
You're doing it again
