Twenty Seven Arrows

Letts

At first we wake
She breaks
The silence says honey,
We've fallenThe distance,
She reaches for a pistol
And hits it
I'm starvingTwenty Seven Arrows
Point to heaven,
Rain down East of Eden
To greet them
Will I see your sunset again?
Giving all that you give hereCircle of life
Before us
It's a blessing
Wash all the pain from our skinThe sound of vision
Will I see your sunset again?
Taking all that you get hereWill I see your sunset again?
Will I share your sunset... again?
