Try

Bubble Burst

Yeah, yeah
You scale, you fall
Sometimes it seems impossible
But your hopes and dreams
Are closer than they seem
Why not give yourself a chance, nothing's gonna hold you back
Everything you want is right there waiting
What you wanna do? Gotta have some faith in you
Don't you know that you can have it all?
If you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know until, until you try, just try
Your fears and doubts
They find a way to break it down
But it's not the end
You can ride back up again
Why not give yourself a chance, nothing's gonna hold you back
Everything you want is right there waiting
What you wanna do? Gotta have some faith in you
Don't you know that you can have it all?
If you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know until, you try
What's the matter with believing
That you can do anything?
Take control and make the future
What you want it to be and that's when you'll see
If you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know until
Until you try and you just believe
You can, you will
Reach inside, dreams are possible
Never know until you try
No, no, no, just try, try
