Just More

DJ Styles

Look beyond my face and love me
I'm not the good girl you should knowThere was a time when I thought of you
There was a time when you thought of me
Look in my eyes and say you love me
Look in my eyes and say you want meI'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just moreIt's too late to look beyond
It's too late to darn my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeahThere's another word for love
There's another word of course
I'm just more than you can see obviouslyI'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just moreThere's another word for love
There's another word of course
I'm just more than you can see obviouslyIt's too late to look beyond
It's too late to darn my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeahThere's another word for love
There's another word of course
I'm just more than you can see obviouslyI'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just moreThere's another word for love
