Let Me Down Easy

Betty Lavette

There's a little moonlight dancing on the sand
There's a warm breeze blowing by the ocean as you're taking my hand
You need to know where I'm standing now
That I'm right on the edge of giving into ya
Baby it's a long way down
If I fall, can you let me down easy?
If I leave my heart with you tonight
Will you promise me that you're gonna treat it right?
I'm barely hangin' on
If I fall, can you let me down easy?
The scent of your perfume floatin' in the air
You're looking like an angel lying on a blanket with a halo of hair
And those lips look too good to be true
Once I taste that kiss, I know what'll happen
I'll be at the mercy of you
If I fall, can you let me down easy?
If I leave my heart with you tonight
Will you promise me that you're gonna treat it right?
I'm barely hangin' on
If I fall, can you let me down easy?
If I fall, can you let me down easy?
If I leave my heart with you tonight
Will you promise me that you're gonna treat it right?
I'm barely hangin' on
If I fall, can you let me down easy?
If I fall, can you let me down easy?
Let me down easy, baby
