Equal Zero

Pop Will Eat Itself

Them want boom times
They don't want depression
Them want spend, spend
Them don't want recessionWe don't want chumps
We don't want suckers
We don't want pimps
No sly motherfuckersEqual Zero...Lead us
Feed us
Superbreed us
Lead us
Feed us
We're all equal zeroI woke up a dreamer today
A hailed hero
I woke up for real and, hey,
We're all equal zero
We're all equal zero
Equal ZeroThem want boom times
They don't want depression, depression, depression
Them want boom times
Them want boom times
They don't want depression
Them want spend, spend
Them don't want recessionWe don't want chumps
We don't want suckers
We don't want pimps
No sly motherfuckersThem want boom times
They don't want depression
Them want spend, spend
Them don't want recessionWe don't want chumps
We don't want suckers
Suckers, suckers
No sly motherfuckersI woke up a dreamer today
A hailed hero
I woke up for real and, hey,
We're all equal zeroLead us
Feed us
Superbreed us
Lead us
Feed us

We're all equal zeroLead us
Feed us
We're all equal zero
Lead us
Feed us
We're all equal zero
