Badunkadunk

DJ Deathrat

[V.1]You need the kinda girl that can make ya boys go crazy
That dont wont no child support just wanna have your baby
You need the kinda girl that'll rock your world
Put it in your face drop it like a 94
Lift it up pop it
Crack it like a squirrel
[pause]Yall need the kinda man that can turn a girl to a lady

You put it on me so good had me think'n i was in the matrix
You need the kind that be get'n in them streets
Kinda fo that hate it if you may sweat his peace
down fo a girl and hes make'n cheese
{Chores]
Boys like the girl with the junk in the trunk
Girl like the boys with the junk in the front
Boys like the girls with badunkadunks
Girls like the boys with badunkadunks
