Have Mercy

Nivea

Baby
What can I do to make you forgive me
For ever cheatin' on you
See I was a fool, I plead insanity
I throw myself at your mercy
So do what you will with meHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like youHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like youLover, do you hear me
I took your love for granted but now I see, I see
I should've never let him in, I just misunderstood
When I thought he'd give me what you already couldHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like youHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like youYea
Well well well well
Alright
Have mercy on meHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like youHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like youHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like youHave mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like youHave mercy, mercy, mercy
Have mercy, mercy, mercy
Have mercy, mercy, mercy
