Pegboard Nerds

Can you count, suckers?
I say, the future is ours if you can count!Can you dig it?
Can you dig it?
Can you dig it?That's 20,000 hardcore members!Can you dig it?Now, look what we have here before us.
Nothing would move without us allowing it to happen.
Because we got the streets, suckers!
Nobody is wasting nobody.
That is a miracle.
And miracles is the way things ought to be.That's 20,000 hardcore members!
