Asleep

The Burning Paris

Sing me to sleep
Sing me to sleep
I'm tired and I
I want to go to bedSing me to sleep
Sing me to sleep
And then leave me aloneDon't try to wake me
In the morning
Cause I will be goneDon't feel bad for me
I want you to know
Deep in the cell of my heart
I will feel so glad to goSing me to sleep
Sing me to sleep
I don't want to wake up
On my own anymoreSing to me
Sing to me
I don't want to wake up
On my own anymoreDon't feel bad for me
I want you to know
Deep in the cell of my heart
I really want to goThere is another world
There is a better world
Well, there must be
Well, there must beWell, there must be
Well, there must be
WellBye, bye
Bye, bye
