Butterfly

Crystal Moon

You tell me you love me, you say you'll be true
Then you fly around with somebody new
But I'm crazy about you
You butterfly
You treat me mean, you're makin' me cry
I've made up my mind to tell you goodbye
But I'm no good without you
You butterfly
I knew from the first time I kissed you
That you were the troublin' kind
'Cause the honey drips from your sweet lips
One taste and I'm outta my mind
I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
'Cause I'm crazy about you
You butterfly

Oh, I'm crazy about you
You butterfly
Oh, I can't live without you
You butterfly
I knew from the first time I kissed you
That you were the troublin' kind
'Cause the honey that drips from your sweet lips
One taste and I'm outta my mind
Oh, I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
'Cause I'm crazy about you
You butterfly
You butterfly
You butterfly
