## Shawn Mendes

Say it's not too close to here  
Tell them not to waste my time  
But this was never up to me  
But if it was I wouldn't mind  
An I'm trying to ignore you  
And try to go on with my day  
But I still pick up the phone yeah  
And get lost in what you say  
I can try to stop it  
All I like  
Hands down I've lost this fight  
And I thought I was strong  
Enough for you  
But I can't just hide the truth  
I guess I'm going down (2x)  
And I love it how she's honest  
You don't find that nowadays  
She's not even drop dead gorgeous  
But she kills me anyway  
I can try to stop it  
All I like  
Hands down I've lost this fight  
And I thought I was strong  
Enough for you  
But I can't just hide the truth  
I guess I'm going down (2x)  
I guess I'm going down like yes  
I can try to stop it  
All I like  
Hands down I've lost this fight  
And I thought I was strong  
Enough for you  
But I just can't hide the truth  
(2x) So I guess im going down  
I guess I'm going down ohh  
I guess I'm going down
