Somewhere In My Broken Heart

Randy Travis

You've made up your mind
It was time, it was over after we had come so far
But I think there's enough pieces of forgiveness
Somewhere in my broken heartI would not have chosen the road you have taken
It has left us miles apart
But I think I can still find a will to keep going
Somewhere in my broken heartSo fly, go ahead and fly
Until you find out who you are
'Cause I will keep my love unspoken
Somewhere in my broken heartI hope that in time, you will find what you longed for
Love that's written in the stars
And when you finally do, I think you'll see it
Somewhere in my broken heartSo fly, go ahead and fly
Until you find out who you are
'Cause I will keep my love unspoken
Somewhere in my broken heartI hope that in time, you will find what you longed for
Love that's written in the stars
And when you finally do, I think you'll see it
Somewhere in my broken
Somewhere in my broken heart
