Last Drop

Dystrophy

You, you, you, you, you, you yeah
You, you, you, you baby you
Want to say you
You say that you want it
You say that you need it
You say that you like what I do
And I do what I do to you
But it's driving me crazy yo
'Cuz you keep on harassing me yo
Keep telling me you're wanting me
So I'm gonna make you scream my name
I'm gonna make you holla for more
And if I ain't gonna stop baby
Till I'm down to the very last drop
Wanna say it and lady it's all about
You, you, you, you, you, you
My babies
It's you, you, you, you, you, you
You say that you love it
The way that I do it
You say that it's making you freaky
When I'm not around to do to you
But it's driving me crazy
'Cuz you keep on harassing me

Keep telling me you're wanting me
So I'm gonna make you scream my name
I'm gonna make you holla for more
And I ain't gonna stop baby
Till I'm down to the very last drop
My babies, my babies
I'm gonna make you scream my name
I'm gonna make you holla for more
And I ain't gonna stop baby
Till I'm down to the very last drop
K is for the kisses I give to you
E is for everything I do
V is for the visits I visit you
Baby you know that

I is for the way you inspire me
N is for how nasty
Sexually we can be
Baby yeah
I'm gonna make you scream my name
I'm gonna make you holla for more
And girl I aint gonna stop baby
Oh till I'm down to the very last drop
Make you scream my name
Make you holla for more
I'm gonna make you scream my name
