Ella

Miranda Lee Richards

Ella you have a song
For the angels
Don't you be afraid
While you see what you areElla if you laugh
Maybe you'll feel free
And by nature you would walk
Live to become what you areTempted by an innocent pleaser
Sharing in the decadent pleasures of the nightElla you're gonna' be
A mother
And from water
You'll feel to believe
Tempted by an innocent pleaser
Sharing in the decadent pleasures of the night
