Sunwell Band

VERSE
Unconventional, sensational, its new
I got something to show you
So original, delectable, its you
Do you understand me?
Conversational, yet sensual, how shrewd
Well, hey what do you know, nowCHORUS
And the kids dont need it
The kids dont need it
In their galleries
And the kids dont need it
The kids dont need it
At all
VERSE
You look dressed to kill, this starving life is cruel
Are you make believing?
Fake your unpedantic, your unromantic cues
Tell no one at all
Cause when you show the world what you learned in art school
Well, then youll be hearing from me.
CHORUS
Eat your cake and have it too
I got a dirty little thing and you cant lose/for you to use
You know the sun shines on me
