Flower (Girly-Sound Version)

Liz Phair

Every time I see your face
I get all wet between my legs
Every time you pass me by
I heave a sigh of painEvery time I see your face
I think of things unpure unchaste
I want to fuck you like a dog
I'll take you home and make you like itEverything you ever wanted
Everything you ever thought of
Is everything I'll do to you
I'll fuck you and your minions, too
Your face reminds me of a flower
Kind of like you're underwater
Hair's too long and in your eyes
Your dick's a perfect "Suck me" sizeYou act like you're fourteen years old
Everything you say is so
Obnoxious, funny, true and mean
I want to be your blowjob queenYou're probably shy and introspective
That's not part of my objective
I just want your fresh, young Jimmy
Jamming, slamming, ramming in meEvery time I see your face
I think of things unpure unchaste
I want to fuck you like a dog
I'll take you home and make you like it
Everything you ever wanted
Everything you ever thought of
Is everything I'll do to you
I'll fuck you till your dick is blueEvery time
