John Wayne and Jesus (live)

Pat Green

I met John Wayne and Jesus when I was just a kid
They both had on their cowboy hats just like I'd pictured them
I stood up at the front of the class waving my American flag
I said the pledge, sang amber waves of grain[Chorus]
And(But) I sing all the songs of America
Danced in the rain in Lafayette
I'm still hanging out with John Wayne and Jesus
And I know this is good as life can getWell, I had big time when I was down in Houston
Well, I fell in love and moved out to New Orleans
Well, she said so long, now I'm here all alone
She's still got a little bitty piece of me[Chorus]Well John Wayne and Jesus moved out to Hollywood
Workin' behind the scenes on MTV
Me I'm standing right down here in Texas
And I know that's where I was always meant to be[Chorus]
