Good Times

The Dirty Scums

Good times, good times
I'm goin' out tonight just to ease my mind
I worked all day I'm gonna' play all night
I ain't gonna' stop 'till it feels alright
You gotta' take time for what you wanna do
And if you had the chance I know you would too, babyAre you gonna meet me on the moon tonight?
Can't guarantee I won't touch you, girl, 'cause I just mightGood times, good times
I watched you wiggle, baby, from behind, hey
Skin tight pants and I watched you dance
I asked you, honey and you took a chance
I'm kinda outspoken 'cause my mind is broken
I love you, baby, I sure ain't jokin', nowAre you gonna meet me on the moon tonight?
Can't guarantee I won't touch you, girl, 'cause I just mightGood times, good times
Good times, good times
Good times, good times
Good times, good times
