Tonight We're Gonna Tear Down the Walls

Randy Travis

Tonight we're gonna tear down the walls
We're gonna laugh and drink and dance and have a ball
The good times ain't over after all
And tonight we're gonna tear down the wallsWell it seems we let the hard times come between us
Like a wall around our hearts we couldn't see
Hard luck and troubles came rainin' down upon us
And they almost got the best of you and meOnce we loved to stay at home and make love
Now work is all we ever seem to do
We've been spendin' too much time makin' money
And I think it's time we had a laugh or twoAnd tonight we're gonna tear down the walls
We're gonna laugh and drink and dance and have a ball
The good times ain't over after all
And tonight we're gonna tear down the wallsWell you put on your party clothes and makeup
And I'll polish that ol' truck until it shines
Don't worry about a thing 'til Monday mornin'
Just leave hard luck and trouble far behindAnd tonight we're gonna tear down the walls
We're gonna laugh and drink and dance and have a ball
The good times ain't over after all
And tonight we're gonna tear down the walls
The good times ain't over after all
Tonight we're gonna tear down the walls
