Harder Now That It's Over

Ryan Adams

They slapped them on you
Where that bracelet used to be
You know the one I bought you in Phoenix
Where they sell old jewelryI was trying to make you angry
But I didn't feed you to the cops
When I threw that drink in that guy's face
It was just to piss you off'Cause honey it's over now
It's harder now that it's over
It's harder now that it's over
Now that the cuffs are offHoney it's over now
It's harder now that it's over
It's harder now that it's over
Now that the cuffs are offAnd you're free
You're free, free with a history
You're free, you're free with a historyI heard your wrists got bruised
Must've felt just like old times
I wish you would've grabbed the gun
And shot me 'cause I diedAnd I'm nothing now without you
Yeah, I'm less than nothing now
I'm the one between the bars
And lost forever now'Cause honey it's over now
It's harder now that it's over
It's harder now that it's over
Now that the cuffs are offIt's over now
It's harder now that it's over
It's harder now that it's over
Now that the cuffs are offAnd you're free, you're free
You're free, free with a history
You're free, you're free
You're free, free with a history, ohI'm sorry
I'm sorry
I'm sorry
