All I Want Is You

Carly Simon

What do the neighbors say?
When they hear us scream at night
Do they talk about a love?
All in tattersWhat do the neighbors know?
About the heart and soul
The fire down below
That really mattersThey can never guess
In the silencesThat all I want is you
And the sexy hurricane
We got hereAll I want is you
I don't want a man
Who says, "Good morning, dear"
No, noAll I want is you
All that I want is you
All I want is you
Nobody else but youLet 'em listen at the door
Let 'em listen through the floor
Let 'em go ahead and draw
The wrong conclusionsSo chase me 'round the room
Make me crazy like the moon
They can never guess
In the silencesThat all I want is you
And the sexy hurricane
That we share, yeahAll I want is you
I don't want a man
Who tiptoes up the stairs
No, I don'tAll I want is you
All that I want is you
All I want is you
Nobody else but youThey never guess
In the silencesAnd all I want is you
And the sexy hurricane
That we share, oh babeAll I want is you
I don't want a man
Who tiptoes up the stairs
He's gonna fallAll I want is you
And your freight train
Whistling over my trackAll I want is you
And your Mack truck loving

Jumping me, Jack!
Oh, Jack!All I want is you
And your Mack truck loving
