Heaven Is Counting on You

Ray Boltz

Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on youWe are standing at the end of time
We are part of a grand design
We are grateful to a risen Lord
For the others who have gone beforeI hear voices in the heavenlies
They are calling to you and me
Saying rise up, there's a world to win
I hear them saying againHeaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on youMany suffered, even gave their lives
For the message of the risen Christ
Now they're watching seated high above
Shouting to us as we runHeaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on youThere is a race, there is a prize
There is a price to pay
And the saints beyond
Cheer us on todayHeaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you
