We Can Work It Out

The ReBeatles

Woah, woah, la, la, la, la, la, la, la, la
Woah, woah, la, la, la, la, la, la, la, la
Woah, woah, la, la, la, la, la, la, la, la
Woah, woah, la, la, la, la, la, la, la, la
Tell me why you look fed up
Two heads are better than the one
Tell me why you look so sad
Surely things can't be so bad
Don't you worry 'bout a thing
'Cause me and you, we can solve anything
Don't you feel you're all alone
'Cause that's not true, that's what friends are for
Woah, oh, oo, oh, oo, oh, we can work it out now, baby
Woah, oh, oo, oh, oo, oh, we can work it, we can work it
Woah, oh, oo, oh, oo, oh, we can work it out now, baby
Woah, oh, oo, oh, oo, oh, we can work it all out
Tell me when and where to meet
'Cause you know friendship's a two way street
We've been friends forever now
Haven't we always helped each other out
Don't you worry 'bout a thing
'Cause me and you, we can solve anything
Don't you feel you're all alone
'Cause that's not true, that's what friends are for
Woah, oh, oo, oh, oo, oh, we can work it out now, baby
Woah, oh, oo, oh, oo, oh, we can work it, we can work it
Woah, oh, oo, oh, oo, oh, we can work it out now, baby
Woah, oh, oo, oh, oo, oh, we can work it all out
