Glory & Consequence

Ben Harper

I'm more afraid of living
Than I am scared to die
I'm more afraid of falling
Than I am of flying highEvery moral has a story
And every story has an end
Every battle has its glory
And its consequenceI'm more afraid of loving
Than I am of being scorned
But I will keep on trying
Though I have been forewarnedEvery moral has a story
And every story has an end
Every battle has its glory
And its consequence
And its consequenceI would rather me be lonely
And you have someone to hold
I'm not as scared of dying
As I am of growing old
