Picnic In The Summertime (H-Man Happy Trails Mix)

Deee-Lite

Walk with me until we find the right spot
Our little excursion picnic in the park
Feet in the grass until it gets dark
That's when I saw the fire flies sparkThe pop sickle stick is finally smooth
Hop on a lily pad for the summer groove
Walking arm and arm, so glad you came along
Check out the curly vine
The blanket was too small
But you call me baby doll
I could kiss you all the timeWatchin people have a good time
Watchin people have a good time in the summertime
Flying picnic blanket in the summer grooveNo interruptions we're all alone
Cause I don't have my cellular phone
Sweatin your pose, wiggling your toes
Come at me like a panther
Cause you know yes is my answer
