

Some Nights

Glee Cast

Blaine with New Directions:

Some nights, I stay up cashing in my bad luck
Some nights, I call it a draw
Some nights, I wish that my lips could build a castle
Some nights, I wish they'd just fall off

Jake with New Directions:

But I still wake up, I still see your ghost
Oh lord, I'm still not sure what I stand for
Oh

Sam with New Directions:

What do I stand for? (New Directions: Oh whoa!)
What do I stand for? (New Directions: Oh whoa!)

Ryder:

Most nights, I don't know
Anymore

I was never one to believe the hype (New Directions: Oh whoa!)
Save that for the black and white (New Directions: Oh whoa!)
I try twice as hard and I'm half as liked (New Directions: Oh)
But here they come again to jack my style

When I see stars (Marley: Oh, come on)
When I see, When I see stars, (Marley: Oh, come on)

And the con that she called "love"
But when I look into my nephews eyes

The most amazing things

It's for the best we get our distance (Marley: Oh!)

It's for the best we get our distance
